Subject: County Motor Vehicle Graveyard Inspection

Dear Lea:

I conducted an inspection of the Ravalli County Motor Vehicle Graveyard on September 9, 2008. The basic intent of the inspection was to ascertain if the program is being operated in compliance with the laws and rules of the State of Montana. Enclosed is copy of my inspection report.

During my inspection one minor violation of the Motor Vehicle Recycling & Disposal statute was noted, but otherwise the yard looked good. On the bottom of the inspection form I have briefly explained the violation. Keep up the good work.

Please feel free to contact me if you have any questions.

Sincerely,

Bruce W. Meyer
